QUALITY POLICY

As Suburban Security, it is our policy to provide our clients with a wide range of first-class security solutions to meet and satisfy customer requirements.

We will do this by:

- Providing high quality security solutions and support that make use of the latest tried and tested technology and systems to satisfy our customers.
- Ensuring that all our stakeholders are aware of our objectives, products and services.
- Educating all company members on their ethical and legal responsibilities, while emphasizing that quality and legal compliance is the responsibility of everyone in the company.
- Ensuring regular reviews, at senior management level, continual monitoring and measurement of performance against the set quality objectives and identifying opportunities for continual improvement.
- Compliance with all applicable legal and other requirements.
